

## Generic Trip Permission Form

Dear Parents/Caregivers

During the school year; classes, year levels or the whole school may be doing activities off school premises **during the school day**.

Examples of this are: *athletics day, cross country, winter sports, PE classes going to Jubilee Park or other venues, swimming lessons; and other local class/subject trips.*

Previously we used to request permission slips for **every event**. The problem with this is that it takes up a lot of administration time to get them all back before the event; and if any student does not return a slip in time, they could miss out on the activity if we cannot contact parents.

To avoid this unnecessary level of stress to Staff and students, we have produced just **one permission slip** signed at on enrolment, which covers all these off site, out of school activities.

Letters informing parents of impending trips, with any fees and possible requests for help with transport, will still be sent home prior to these events; *but it will not require a permission slip to be returned for each activity.*

If you do not want your child to participate in an activity for some reason, you can still contact the school or the event organiser to make alternative arrangements for your child.

To this end, we would like you to copy and paste the permission form below into a return e-mail with you name to [office@crs.school.nz](mailto:office@crs.school.nz); or print, fill out and return the generic permission slip below to the school.

***Trips outside the district or involving overnight stays will still require a separate permission slip.***

Blessings,

*Rodney Lloyd* Principal

I/we give permission for all my/our children:

Year level

attending CRS to participate in any out of school activities organised by the school **during the school day** for each school year they are in attendance at CRS. This includes the school organising transporting students to venues off site.
