

Preferential Enrolment

Dear Pastor/Minister/Church Leader

The family that have handed this form to you are currently applying to enrol their children at Christian Renewal School. They believe they fall into the category of "Preferential Enrolment". We need you to complete this form to confirm their eligibility for Preferential Enrolment.

Preferential Enrolment, as defined in the Integration Agreement, is where parents have established a particular or general connection with the Special Character of the school. The Proprietor has the right to determine the Christian beliefs, vision, values and lifestyle that make up the Special Character of the school. The school's Board of Trustees can only grant a Preferential Enrolment status to parents of a child where these parents have established the necessary degree of connection. Essentially this is a current Christian experience along with regular church attendance.
